## SUPPORT PROVIDED BY YMCA LIVERPOOL & SEFTON

This Project Will Offer:

- Assistance with finding suitable and safe accommodation
- A dedicated Empowerment Practitioner working to develop Safety Plans to ensure that everyone supported is as safe as possible. They will work to find out where people want to live and support people to have a fresh start
- Financial support to help pay with moving in costs, so we're able to pay for things like rent in advance or deposits to secure properties
- Support to move anywhere across the Liverpool City Region
- Inspections of any identified accommodation to ensure that they are safe - we can arrange for security upgrades and additional safety features
- A programme of empowerment support to help all members of the household settle into a new home and area
- Support for children and young people - this can include linking with specialist early help services and finding new schools

Referrals to the services can be made via MainStay or by contacting YMCA directly on 0151 734 1074

The FREE project is funded by the Ministry of Housing, Communities & Local Government and delivered in partnership by YMCA Liverpool & Sefton, Knowsley Council, Liverpool City Council, Sefton Council, St. Helens Council and Wirral Council
